MICHAEL BREWER

GRAPHIC DESIGNER

WORK EXPERIENCE

2024-2024

Visual Soldiers

Graphic Design Intern

While working as a Graphic Design intern, I contributed to web and graphic design projects for major corporate clients. Responsibilities included designing websites, marketing materials, and branding assets for our various clients. I gained valuable experience in a fast-paced environment, balancing multiple projects and collaborating with a talented team.

2024 - 2024

Cargo

Freelance Graphic Designer

As a Freelance Graphic Designer, I created a wide range of visual content including social media advertisements, animations, flyers, and email newsletters for various clients. Collaborating directly with team members, I contributed to daily tasks for Cargo and played a pivotal role in boosting sales and revenue for notable clients such as O'Charley's, LG, and Buttermilk Sky Pie, among others.

2023-2024

University of South Carolina - Upstate

Graphic Design Intern

While working as a Graphic Designer for the University of South Carolina - Upstate, I created banners, logos, and various materials for the University. Collaborating directly with the communications department, I contributed to the university's social media initiatives and played a key role in major campus revamp projects throughout the year.

EDUCATION

2020-2024

University of South Carolina - Upstate

Bachelor of Arts - Concentration in Graphic Design

ACCOMPLISHMENTS

USC Upstate Graphic Design Showcase

Successfully exhibited multiple pieces in the prestigious Graphic Design Art Show for two consecutive years, showcasing creativity, technical skill, and consistency in artistic output.

USC Upstate Dean's List

Consistently recognized on the Dean's List for five consecutive semesters, demonstrating academic excellence and dedication to achieving high standards of performance.
